

Muhammad Abdullah Yousafzai

Student

It is a very big achievement for me to be a student in Ghulam Ishaq Khan Institute of Engineering Sciences and Technology. I have not only learnt many skills but also improved my social life. I am a cyber security student, but I strive to learn more skills which may or may not be related to my field of study, such as android development, full stack app dev etc.

ACHIEVEMENTS

Pakistan Cyber Security Challenge 2023 (11/2023 - Present)

I and my team Pony Boy ranked #63 out of 200+ teams in the Pakistan Cyber Security Challenge 2023 hosted by Air University and organized by NCCS. This was my first experience as a CTF Player.

3rd Position in GIKI Hackathon (03/2023 - 03/2023)

a 2-day hackathon organized by Microsoft club GIKI, I built a mobile application for library seat reservation. I got 3rd position in the competition.
